Keep that New Year's resolution to get fit for summer: Enter to win these fitness essentials

At the end of this month, a 41,000-square foot club in the Time Warner Center at Columbus Circle is scheduled to open, and it will serve as the company's flagship location. The new facility will include... "KATA-Zone, a body-bar and power-ball workout, combines a series of blocks, kicks, punches and stances into a routine."
